Mistä löydän Ovid Term Finderin?

- Käytettäessä Ovid MEDLINE:a Advanced Searchin kautta
- Ovid Term Finder painike löytyy hakukentän vierestä

The screenshot displays the Ovid MEDLINE search interface. At the top, the Ovid logo is visible on the left, and navigation links for 'My Account', 'Admin Tools', and 'Journals' are on the right. A blue navigation bar contains buttons for 'Search', 'Journals', 'Books', 'Multimedia', 'My Workspace', 'Links', 'EBP Tools', and 'What's New'. Below this, a 'Search History (0)' link is present. The main search area includes a search bar with the text 'Enter keyword or phrase (* or \$ for truncation)'. To the right of the search bar are radio buttons for 'Keyword' (selected), 'Author', 'Title', and 'Journal'. Below the search bar are options for 'Limits (expand)', 'Include Multimedia', and 'Map Term to Subject'. A dropdown menu is open, showing '1 Resource selected | Hide | Change' and a list of search results. The dropdown menu is titled 'TERM FINDER' and contains a search bar with 'helicobacter' and a 'Clear' button. Below the search bar, there is a feedback message: 'We would like your feedback on the Term Finder'. The main content of the dropdown menu is for 'Helicobacter', with a pronunciation guide 'hel'i-kö-baktër' and a 'View Definition' link. Below this, it lists '7 Mapped MeSH Results' with checkboxes and links for 'MeSH Tree', 'Used For Terms', 'Scope Note', and 'Subheadings'. The results include: Helicobacter, Helicobacter Infections, Helicobacter pylori, Helicobacter heilmannii, Helicobacter hepaticus, Helicobacter felis, and Helicobacter mustelae. At the bottom of the dropdown menu, it shows '13 Results from MeSH Permuted Index' and '25 Related Terms from UMLS', both with 'View' links.
